THE ORIGINAL LIVER MEDICINE

and kidney diseases. Stomach and bowel troubles, severe as they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The doord's Black-Draught never fails to benefit diseased liver and weakened kidneys. It stirs up the torpid liver to throw off the germs of tever and ague. It is a certain preventive of cholers and Bright's disease of the kidneys. With kidneys reinforced by The dford's Black-Draught thousands of persons have dwelt immune in the midst of yellow feves. Many families live in perfect health and have no other doctor than The dford's Black-Draught. It is always on hand for use in an emergency and saves

Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullias, S. C., March 10, 1901.

I have used Thedford's Black-Draught for three years and I have not had to go to a doctor since I have been taking it. It is the best medicine for me that is on the market for liver and kidney troubles and dyspepsia and other complaints. Rev. A, G. LEWIS.
